**CAARA Café**

edit@fashionfad.co.in December 18, 2015

CAARA believes in doing things the right way, and thus ensures the source for their ingredients. They grow their own fresh produce and herbs using chemical-free farming techniques at farms in India. And when they can't find the best local produce, they source it from the finest around the world.

Propagators of the 'Flying Canapés', 'Flying Buffet' and 'Flying Dessert' concept and after the success of bespoke catering and food consultancy, CAARA has opened its doors to a newly renovated gallery space at the British Council, the café is a great oasis to escape the hustle of the city. Sit back, unwind and let the ambience soak in, while enjoying the exhibition.

Walk in and take your pick from some of their signature items such as the Tomato, Mozzarella and Pesto Panini made with CAARA's Pesto (a must-try!) and the Grilled Chicken Wrap. But if you're looking for a quick bite check out their British classic Cornish Pasty. For the ones who have a sweet tooth, a slice of the Carrot or Walnut cake is a must have.

That's not all, CAARA has partnered with the Salaam Balaak Trust only to distribute the days left over's at their centre with utmost care.
