

CAARA

AT OGAAN

CAARA, a food centric company formally know as a bespoke catering company has joined hands with India's most loved designer store OGAAN, to create a simple European menu in their modern intimate space in Malcha Marg. We focus on sourcing quality produce creating simple, delicious straight forward dishes with love.

Our modern european eatery is home to, classic egg brunch plates such as eggs Benedict and broken eggs, as well as healthier breakfast choices including a granola bowl with chia seeds and coconut shavings. Pasta puttanesca and a superfood salad are on the lunch menu, taking inspiration from French, Italian and British cuisines. All this is available alongside our tarts, cakes and breads.

CAARA started its business catering for private and corporate events and has now expanded into a cookery school, including classes for kids and domestic staff, food products and our 'Chef's Kitchen' which involves a 6 course taster menu for 17 people exclusively at our head kitchen.

We only use organic Eggs on our menu.

CAARA-FarmLove is our brand of fresh chemical free produce that we grow at our farms in New Delhi & Haryana. We try and incorporate our chemical free produce as much as possible on the menu and change our menu seasonally based on the farm produce availability.

As much as possible we try and work with local food producers and when required, source the best ingredients globally.
