CAARA

CAARA's first restaurant in Kolkata is proudly located in Hindustan Park, housed within a beautiful heritage art deco building alongside our friends from Good Earth. Browse the beautiful homeware and come up to CAARA on the 2nd floor to unwind and enjoy a relaxed meal.

Having multiple restaurants in the capital New Delhi, as always, our ethos remains the same- focus on sourcing quality produce and creating a menu that is seasonal, delicious & straightforward.

The cafe is all-day dining from breakfast, lunch & dinner, coffees, cakes and snacks in-between. From chilli avocado toast and fantastic frothy coffees made with Arabica beans from Mysore to truffle salami pizzette with napoletana style freshly baked pizza dough - we have brought to you a mix of CAARA classics and some dishes unique to only CAARA, Kolkata.

Don't forget you can shop for your weekly fridge full of CAARA products from sourdough, croissants, our famous basil pesto, freshly ground coffee (we grind it on the spot for you). Making life easy and the fridge a little more exciting to open. If you'd like to pre-order hampers, send gifts of cheese boards or cakes, please ask your server for more details.

At CAARA, we are all about fine food and amazing food experiences! Our headquarters are in New Delhi where we operate cafes and restaurants, catering services, home delivery, and the CAARA shop, where you can find preservative-free sauces, dips, breads, and patisserie for your everyday gourmet living. We are grateful to have our own farms in New Delhi where we grow seasonal produce, which is used in all our menus. We also source the best ingredients from local and global suppliers to make sure our food is top-quality.

Visit www.caara.com for more information.

We only use 100 % natural, antibiotic & hormone free eggs.

As much as possible we try and work with local food producers and when required source the best ingredients globally.

A high-angle, close-up photograph of a white ceramic bowl filled with pasta. The pasta is a short, ridged, shell-like shape, possibly farfalle or similar, coated in a vibrant red tomato-based sauce. It is garnished with several fresh green basil leaves and thin shavings of white cheese, likely Parmesan. To the left of the bowl, a large, dark green leafy vegetable, possibly a radicchio or similar, is partially visible. In the foreground, slightly out of focus, is a glass of iced coffee with a thick layer of white foam and dark chocolate chips. The background is a dark, textured surface, possibly a table or countertop.
